

PEDIATRICIAN'S OFFICES ARE OPEN DURING COVID-19 CLOSURES!

The COVID-19 pandemic has changed many things. But one thing is still the same...
Children Need their Check-Ups!

The AAP encourages families to continue visiting their pediatrician to keep children healthy & on schedule.

Your child's pediatrician is available for you to schedule your child's next well-check visit for the following and more:

Growth & Development

Is your child's development on track?

Mental Health

How is your child coping during this pandemic?

Nutrition

Is your child getting all necessary nutrients?

Immunizations

Is your child safe from other preventable diseases?

Contact Your Provider's Office

When you make an appointment, ask any and all questions about your child's health or COVID-19. Your provider is happy to answer them and help!
